Our chosen venue is Phillip's Sanctuay in Antipolo, Rizal. This lush, 13-hectare property is a true ecological sanctuary and a haven of adventure. This farm and forest is home to nature lovers, bikers, mountaineers, and those of us looking for a new way to stimulate of body, mind, and soul. We have quite a line-up of team-building activities in store for everyone, and we can't wait to get started!

In your hands is the registration packet. Fill it up, submit, and pay the registration fee of P800 (inclusive of food and lodging) to the AKSIS core team on May 13 (Thursday) from 9:00 to 3:00pm at the Philippine Science High School, Main Campus, front lobby area. Our team will be there to entertain further questions (particularly from your parents!) and present you with the other things you'll need for the camp.
